

Conference map

Dear client

We greatly appreciate and thank you for your interest in conference services offered by the Metropol Hotel in Spišská Nová Ves. We can provide the best services and facilities for any social, cultural or corporate event. The Metropol Hotel is a great combination of affordable prices, conference facilities and unbeatable location. You will feel like in paradise during your business meetings. You can have discussions in a pleasant atmosphere, taste delicate meals, wash away your stress in the wellness area and relax in the new comfortable rooms.

And there is much more this only four-star hotel in the Spiš region can offer. The most beautiful UNESCO monuments and the proximity of the nature of the Slovak Paradise are within your reach.

Information about the hotel

The Metropol Hotel has been providing hotel services continuously since its opening in 1970. It offers generously designed restaurant and conference facilities, comfortable spacious rooms, exceptional gastronomy and a pleasant atmosphere.

Thanks to its unique location in the center of Spišská Nová Ves, which is known as the gateway to the Slovak Paradise, and its wellness services, it gives business meetings a whole new dimension. It is the immediate proximity of the Slovak Paradise (3 km) and the historical center of the city that make the hotel an attractive location that will enchant all lovers of active leisure. The hotel rooms offer guests exclusive comfort and a fantastic view of the High Tatras, the city center and the panorama of the Slovak Paradise.

The train and bus stations can be reached on foot in 5 minutes. The nearby D1 motorway offers convenient access to the airport in Poprad (29 km).
